

# DO YOU WANT A CAREER IN THE CONSTRUCTION INDUSTRY?

SkillSource will deliver, in partnership with FTI, an 8-week Finishing Trades Entry Level Training Program (FTELT), running June 10 to August 2, 2019, followed by a job placement & then Level 1 training.

This program will target eligible individuals who are under-represented in the trades (Indigenous, Women, Immigrants, Youth). Applicants will be assessed for eligibility & suitability.

## PROGRAM OUTCOMES

Successful students will gain exposure to all finishing trades, complete a work experience placement as a Level 1 apprentice and finish their Level 1 training in the finishing trade of their choice. They can then go on to complete their apprenticeship with FTI and achieve Red Seal Journeyman status.
